

METRO LIPA WATER DISTRICT

MISSION

**To strive to serve the greatest number of people,
and provide them with a reliable
sustainable, safe and affordable water supply
through a financially viable, self-sufficient
and modern utility**

VISION

**The Metro Lipa Water District adequately provides continuous
and efficient water service to the residential, commercial, agricultural
and industrial areas of Lipa City, Balete, Mataas na Kahoy, Malvar
and part of San Jose satisfying the growing need of these areas.**
